Pursuant to D.C. Code § 34-912(b)(2) and 15 D.C.M.R. 1300 *et seq.*, the Public Service Commission assesses electricity providers in the District of Columbia for the Commission and the Office of the People's Counsel's operating budget and monitors the level of competition in the District. To gauge the status of competition in the District and to provide annual jurisdictional revenue information for budgetary assessment purposes, the Commission requires that each electricity provider serving the District complete the attached survey and provide a notarized affidavit to assure the accuracy of the reported information.

More specifically, we require information on whether your company was supplying electricity to end users in the District of Columbia as of December 31, 2017 and, if so, the number of customers served and megawatt hours ("MWH") sold. In addition, please provide your company's calendar year 2017 gross jurisdictional revenue. For the purpose of this survey, "gross jurisdictional revenue" is defined as gross revenues derived from operations regulated by the Commission in the District of Columbia. The gross jurisdictional revenue figure cannot be reduced by amounts such as, but not limited to, gross receipts taxes, delivery charges, surcharges, or pass through charges. Based on your company's gross jurisdictional revenue figures for calendar year 2017, The Commission will determine your company's applicable assessment for the fiscal year 2018 operating budgets of the Commission and the Office of the People's Counsel.

Please file your completed survey and attached affidavit with the Commission Secretary's office no later than April 2, 2018. Failure to submit the requested documents on time may subject the company to a penalty of $100.00 for each day the filing is late, pursuant to 15 DCMR § 1301.3. If any of the provided information is confidential and proprietary, please clearly mark it as such.

If you have any questions, please contact Timour Skrynnikov, Financial Analyst, at (202) 626-9172 or tskrynnikov@psc.dc.gov.
