<sup>1</sup> *Formal Case No. 1182, In the Matter of the Investigation into the Implementation of Integrated Distribution System Planning for Electric Utilities* (“Formal Case No. 1182”), Order No. 22723, issued October 14, 2025. The Commission granted an extension of time to February 11, 2026, to convene the first IDSP WG meeting.

<sup>2</sup> Per the Notice of Inquiry issued on November 27, 2024, the Commission engaged in a formal request for proposals process to procure a qualified consultant to lead the IDSP WG process and ensure the timely submission of the WG Report. On January 20, 2026, the Commission contracted Energy and Environmental Economics (“E3”), a nationally trusted advisor to utilities and regulators with a long track record of planning studies for clients including regulatory agencies and utilities, to lead the process.
