

## Commission Open Meeting Summary

*August 9, 2019*

The Public Service Commission of the District of Columbia approved two action items at its August 8, 2019 Open Meeting. The matters include:

1. [Formal Case No. 1144, In the Matter of the Potomac Electric Power Company's Notice to Construct Two 230kV Underground Circuits from the Takoma Substation to the Rebuilt Harvard Substation, and from the Rebuilt Harvard Substation to the Rebuilt Champlain Substation.](#) Order No. 20203 approves Phase I of the Potomac Electric Power Company's ("Pepco") Capital Grid Project with certain directives as outlined in this Order. Phase I excludes the proposed construction of the Mt. Vernon Substation. The Commission's approval of Phase I of the Capital Grid Project does not depend upon any future assessment of whether the proposed Mt. Vernon Substation is needed, not needed, or can be deferred. The Commission will consider Pepco's proposal to construct a new Mt. Vernon Substation separately in Phase II of its review.
2. [Formal Case No. 1156, In the Matter of the Application of Potomac Electric Power Company for Authority to Implement a Multiyear Rate Plan for Electric Distribution Service in the District of Columbia.](#) Order No. 20204 adopts the procedural schedule proposed by the Office of the People's Counsel, the Apartment and Office Building Association of Metropolitan Washington, and the District of Columbia Government, whereby, the Commission will review and consider Pepco's traditional one year cost of service proposal alongside Pepco's Application for approval of a Multiyear Rate Plan and Performance Incentive Mechanisms.

A copy of these Orders is available at the Commission's e-Docket website:
