The Commission's action on formal case matters was followed by [Pepco's "State of the Company" presentation](#).

ANNOUNCEMENTS

An [audio recording](#) of this Open Meeting is available on the Commission's website, www.dcpssc.org.

The Commission's next scheduled Open Meeting will be held on April 28, 2021, at 2:00 p.m. via conference call. The proposed agenda for the next Commission Open Meeting will be posted on www.dcpssc.org at least 48 hours before the announced meeting.

This year, Earth Day falls on Thursday, April 22, and it is another opportunity to recognize the important role that the Commission plays in helping the District meet its aggressive climate goals. We have summarized our work, goals and commitments on the Commission's website: dcpssc.org/cleanenergy.

If you plan to observe Earth Day by planting a tree in your yard (after calling 811 before you dig, of course), opting to get more of your energy from renewable sources or any other action, you are doing your part to help combat climate change here in the District and across the globe.
