**FORMAL CASE NO. 1171, IN THE MATTER OF THE INVESTIGATION INTO  
COMMUNITY RENEWABLE ENERGY FACILITY PRACTICES IN THE DISTRICT,**

1. In Order No. 21908, the Public Service Commission of the District of Columbia (“Commission”), among other things, denied the Motion of the Potomac Electric Power Company (“Pepco” or “Company”) for Enlargement of Time to Provide Additional Optionality for Meter Removal Solutions but granted Pepco’s request for additional time until November 15, 2023, to remove the Company’s meters.<sup>1</sup> In Order No. 21908, the Commission directed that technical conferences be scheduled and facilitated by Commission Staff within 15 days of the date of the Order to help parties and stakeholders establish a protocol and flush out details of any issues experienced in Pepco bringing its CREF metering practices into compliance with the law and the Commission’s directives. The Commission also directed that the technical conferences are to be used as a vehicle to explore and propose permanent automated solutions.<sup>2</sup> The first Technical Conference was held virtually on October 11, 2023. The second Technical Conference was held virtually on November 2, 2023.

2. Commission Staff will convene the third Technical Conference virtually on Thursday, November 30, 2023 at 10:00 a.m. Current parties and stakeholders will receive an invitation from the Commission’s Secretary’s office which will include information for accessing the technical conference. An agenda will be sent by Commission Staff to the same list of parties and stakeholders prior to the conference. All participants should be prepared to discuss the subject matters listed on the agenda, which will be based on the specific directives in Order No. 21908 and matters discussed at the previous two Technical Conferences.
