1325 G STREET, N.W., SUITE 800
WASHINGTON, D.C. 20005**

NOTICE OF AGENCY FUND REQUIREMENTS

December 2, 2025

**FORMAL CASE NO. 1182, IN THE MATTER OF THE INVESTIGATION INTO
THE IMPLEMENTATION OF INTEGRATED DISTRIBUTION SYSTEM
PLANNING FOR ELECTRIC UTILITIES,**

1. The instant matter is an active proceeding before the Public Service Commission of the District of Columbia (“Commission”) regarding the implementation of Integrated Distribution System Planning (“IDSP”) for electric utilities. The Commission has emphasized the need for transparency and quality reporting in the distribution system of the utilities it regulates. IDSP focuses on optimizing and modernizing the distribution system to meet evolving demands from ratepayers.

2. Pursuant to D.C. Code § 34-912 (a), the Commission is authorized to assess a public utility for “its expenses arising from any investigation, valuation, revaluation, or proceeding of any nature by the Commission.”¹ In view of the issues that must be examined in this proceeding, the Commission has estimated the necessary and reasonable expenses that it will incur in the discharge of its regulatory responsibilities to be \$749,737.00. These responsibilities include the retention of technical consultants, photocopying, messenger fees, and other administrative expenses that may also be incurred.

3. The Commission hereby gives notice, pursuant to 15 DCMR § 1401, that the estimated assessment to the Potomac Electric Power Company (“Pepco”) is \$749,737.00, payable in one installment.² If Pepco or any other interested persons desire to file comments on the proposed assessment, they may do so within five (5) business days of the date of the issuance of this Notice. After that time, the Commission will take final action regarding this assessment.
