PUBLIC NOTICE

2023 FUEL MIX AND EMISSIONS REPORT

May 17, 2023

**FMAER-2023-01, IN THE MATTER OF ELECTRICITY SUPPLIER AND ELECTRIC
COMPANY FUEL MIX AND EMISSIONS COMPLIANCE REPORT,**

1. Commission Rule 4201.2 requires each active Electricity Supplier and the Potomac Electric Power Company to file a Fuel Mix and Emissions Report on June 1 and December 1 of each year disclosing the overall fuel mix information for electricity sold in the District of Columbia.¹ The Public Service Commission of the District of Columbia gives notice that the Fuel Mix and Emissions Report for calendar year 2022 is due on June 1, 2023. Failure to file the Report may result in suspension or revocation of a license to supply electricity or imposition of a civil penalty of up to \$ 10,000 per violation.²

2. Every two years, the Commission is required to submit a report on Fuel Mix to the D.C. Council by July 1. The biennial report to the D.C. Council is due July 1, 2023. The Commission encourages the Electricity Supplier and the Potomac Electric Power Company to submit their Fuel Mix and Emissions Reports on or before the June 1 deadline to ensure that the Commission has adequate time to prepare the report to the D.C. Council. Any questions regarding the Fuel Mix and Emissions Report may be addressed to the Office of Technical and Regulatory Analysis staff electronically at rfujihara@psc.dc.gov.
