**NOTICE OF AGENCY FUND REQUIREMENTS**

**October 1, 2025**

**FORMAL CASE NO. 1176, IN THE MATTER OF THE APPLICATION OF POTOMAC ELECTRIC POWER COMPANY FOR AUTHORITY TO IMPLEMENT A MULTIYEAR RATE PLAN FOR ELECTRIC DISTRIBUTION SERVICE IN THE DISTRICT OF COLUMBIA,**

1. On April 13, 2023, the Potomac Electric Power Company (“Pepco”) filed an Application with the Public Service Commission of the District of Columbia (“Commission”) requesting authority to increase existing distribution rates by \$190.7 million through the implementation of a Multiyear Rate Plan (“MYP”) for the years 2024 through 2026. Under Pepco’s proposed MYP, Pepco requests authority to earn a 10.50% return on common equity. If approved, the MYP would increase monthly distribution rates by approximately \$6.18 in 2024, \$6.13 in 2025, and \$6.09 in 2026 for a residential Standard Offer Service customer using 614 kWh per month.<sup>1</sup> The Commission issued a Public Notice published in the *D.C. Register* on May 5, 2023.<sup>2</sup>

2. Pursuant to D.C Code § 34-912(a), the Commission is authorized to assess the public utility for “its expenses arising from any investigation, valuation, revaluation, or proceeding of any nature by the Commission.”<sup>3</sup> In view of the complexity of this proceeding and the substantive issues that must be examined, the Commission has estimated the necessary and reasonable expenses that it will incur in the discharge of its regulatory responsibilities to be \$9,500. These responsibilities include retention of legal consultants, photocopying, messenger fees, and other administrative expenses that may also be incurred.

3. The Commission hereby gives notice, pursuant to 15 DCMR § 1401, that the estimated assessment to Pepco is \$9,500, payable in one installment.<sup>4</sup> If Pepco or other interested persons desire to file comments on the proposed assessment, they may do so within five (5) business days of the date of the issuance of this Notice. After that time, the Commission will take final action regarding this assessment.
