PUBLIC NOTICE

August 10, 2018

FORMAL CASE NO. 1017, IN THE MATTER OF THE DEVELOPMENT AND DESIGNATION OF STANDARD OFFER SERVICE IN THE DISTRICT OF COLUMBIA

The Public Service Commission of the District of Columbia (“Commission”) hereby gives notice that on August 1, 2018, the Potomac Electric Power Company (“Pepco” or “Company”), acting in its role as the Standard Offer Service (“SOS”) Administrator, filed, on behalf of the SOS Working Group, the proposed Wholesale Full Requirements Service Agreement (“WFRSA”) and Request for Proposals (“RFP”) for the 2018-2019 SOS Solicitation pursuant to 15 DCMR § 4101.3.¹

Each year by August 1, the SOS Administrator is required to file a WFRSA and RFP for the upcoming SOS solicitation.² Prior to that submission, the Company convenes the SOS Working Group to consider whether and to what extent the WFRSA and RFP should be revised or updated. In its submission, Pepco states that the SOS Working Group identified three substantive proposed changes to the 2018-2019 RFP.³ There were no substantive changes to the 2018-2019 WFRSA.

Section 4.1 and Appendix E (i.e., the Bid Form Spreadsheets) of the 2018-2019 RFP have been revised to eliminate demand volume weighting factors and demand load weighted pricing for demand.⁴ This change has been made consistent with a suggestion by Pepco at the Post-Bid Conference held on June 21, 2018.

In addition, Sections 4.2 and 6 of the RFP have been revised to include a deadline for bid collateral submittal.⁵ This change has been made consistent with the suggestion by Bates White,

¹ The specific procurement format, process, timeline, evaluation process, evaluation criteria, and model contract for the procurement of electricity supply shall be submitted to the Commission for its approval by the SOS Administrator by August 1 of the year prior to delivery. 15 DCMR § 4101.3 (2015).
