Always have the following supplies on-hand to be prepared for a major snow storm or a power outage:

- Snow shovel
- Rock salt, snow-melt, or sand
- Battery powered radio and extra batteries
- Cell phone, portable charger, and extra batteries
- Non-perishable food (three day supply) and a manual can opener
- Portable space heater or kerosene heater
- Flashlight with extra batteries
- Family communication plan
- Extra blankets
- First-aid kit
- Extra water (three day supply)
- Prescription medication (consult with your doctor about storing medicine)
- Cash
