**A. Questions and Answers**

Please find below questions and answers on RFP No. PSC-22-10.

**Question 1**

Does the requirement that a CBE must participate in at least 35% of work apply to all Offerors who are proposing a budget that exceeds \$100,000, or only those that seek the additional 12 points? In other words, will an Offeror be automatically rejected if this requirement is not satisfied, or does this requirement only mean that the 12 additional points will be forfeited?

**Answer to Question 1**

Only Offerors who are certified by the Department of Small and Local Business Development (DSLBD) as a CBE will be entitled to receive up to twelve additional points. All Offerors who propose a cost of \$100,000 and above and who are not certified by DSLBD as CBE are required to meet the 35% CBE subcontracting requirement. **Failure to adhere to this requirement will result in rejection of an Offerors proposal.**
