A. Question and Answer

Question 1

Will a formal process be established to ensure that offerors are able to obtain information, technical assistance and other necessary cooperation from Pepco on a timely and impartial basis during proposal development?

Answer

The Commission has identified Dennis Jamouneau as the Pepco point of contact for Offerors who wish to obtain information, technical assistance and other necessary cooperation from Pepco during proposal development. Dennis can be reached by email at djamouneau@pepcoholdings.com
