

Your Energy. Your Voice.

**ADDENDUM NO. 8
RFP NO. PSC-25-07**

**VIRTUAL POWER PLANT OR DISTRIBUTED ENERGY RESOURCE MANAGEMENT SYSTEM
PILOT PROJECT**

Issued: February 11, 2026

SECTION I. Questions and Answers

Question 1

Since budget and financial documents are not required until an invited Phase 2 submission, does Phase 2 also include related financial documents like the Subcontracting Plan and First Source documentation?

Answer

The Subcontracting Plan and First Source Agreement are to be included with the Offeror's initial proposal. Please also see Attachment A to the RFP, Proposal Checklist.

Question 2

Are expenditures on hardware allowed as a capital expenditure using the pilot budget?

Answer

The funds awarded by the Commission can be used for any expenditures directly related to the implementation of the VPP pilot project.

Question 3

Could you please confirm whether the site for the project must be located within the District of Columbia? If so, are there any specific facilities or locations the Commission can point us to that would be suitable for this pilot?

Answer

See Addendum No. 4 and Section A.2 of the RFP.
